Congo Natives Fighting Over a River Horse Killed by White Men. Lieutenant von Francois describes half savage, half comic occurrence the Upper Congo awhile ago that Why is it easy to get in an old man's house? Because his gait is broken and Illustrates the remarkable fondness of the natives of that region for animal food. While he was steaming up the river one day Mr. Grenfell and he shot a hippopotamus, and the crew drew the huge animal on shore to cur it up. They had not been engaged in this work more than five minutes b fore they were surrounded by a great crowd of natives, who watched the peration with the keenest interest. The tongue and the best parts of the flesh were reserved for the steamboat hands, who then left the animal and gave the natives a chance.

rushed upon the remains, and began to slash away on all sides. Scores of Why is it dangerous to go out in the natives could not get near the spring?
